

Triological Society/American College of Surgeons Clinical Scientist Development Awards

2008

Seungwon Kim, MD - University of Pittsburgh Medical Center
Concurrent Targeting of EGFR and VEGFR in Oral Squamous Cell Carcinoma

2009

Seungwon Kim, MD - University of Pittsburgh Medical Center
Concurrent Targeting of EGFR and VEGFR in Oral Squamous Cell Carcinoma - renewal year 2

Young Kim, MD - Johns Hopkins University
Combinational Immunotherapy of Head and Neck Squamous Cell Cancer

2010

Seungwon Kim, MD - University of Pittsburgh Medical Center
Concurrent Targeting of EGFR and VEGFR in Oral Squamous Cell Carcinoma - renewal year 3

Young Kim, MD - Johns Hopkins University
Combinational Immunotherapy of Head and Neck Squamous Cell Cancer - renewal year 2

Michael E. Kupferman, MD - University Texas MD Anderson Cancer Center
Critical Role of TrkB for Invasion and Metastasis in Oral Cancer

2011

Seungwon Kim, MD - University of Pittsburgh Medical Center
Concurrent Targeting of EGFR and VEGFR in Oral Squamous Cell Carcinoma - renewal year 4

Young Kim, MD - Johns Hopkins University
Combinational Immunotherapy of Head and Neck Squamous Cell Cancer - renewal year 3

Michael E. Kupferman, MD - University Texas MD Anderson Cancer Center
Critical Role of TrkB for Invasion and Metastasis in Oral Cancer - renewal year 2

Frank R. Lin, MD PhD - Johns Hopkins University
Hearing Loss and Aging

Triological Clinical Scientist Development Award

2011

Benjamin T. Crane, MD - University of Rochester (New York)
Visual and Vestibular Percepts of Motion
